En español en el otro lado

Thank you all so much for the gifts last week! I felt so very appreciated. I feel so lucky to have such amazing and thoughtful students and parents!

The Talent show was great! There is definitely so amazing talent at Westlake and we were so proud to see Vanessa and Delsyn up there!

We have been hard at work learning about habitats, teeth, 3-D shapes, revising and editing, making connections while reading, as well as practicing our play. We can't wait for you to come see all that we have been working on next Wednesday, May 22nd, at Open House! Don't forget that you can log your parent hours for coming to Open House!

Next week we will be finishing up habitats and then beginning our Crazy Classroom Countdown. You will receive a "classified" parent only schedule of the events the students will be enjoying. Each day is a new and fun adventure that has it's own theme. I have found it to be a great way to continue to learn and keep the students excited about learning during the "homestretch." I will be sending the schedule and a wish-list of needed items to help make the Countdown phenomenal.

I wanted to give you a heads up of the events that are coming up and we would love you to come to: Open House, Our Play and Cast Party After, as well a Martin Class pot luck after Field Day. (See dates to the right for the specific days)

Class Website:

<http://MrsMartinsRoom.weebly.com>
