Mrs. Martin's Room  
N5  
Westlake Charter  
School

It was great seeing everyone at Back to School Night! What a great year this is going to be! Please feel free to contact me if you have any questions that weren't addressed or if it sparked any more questions!

This has been a busy week! We are really starting to get down our routines and know what it is like to be in first grade. I saw my first real glimpse of "First Graders" today...they are beginning to make the transformation! Woo Hoo!

Afternoons (after 2:00) are still a struggle for a few. Please make sure that your child is getting adequate sleep and an afternoon snack at last recess always helps keep them going too.

We are learning what great friends (as well as citizens) are and working on being a

great friend and a great citizen. In September we will begin our plant unit. Please look on the back of this page to see what items we will need to be able to fully enrich the unit (extras are welcomed).
