

Mrs. Martin's Room
Room N5
Westlake Charter
School

Sept. 27, 2012

Delsyn was our Estimating Expert this week, estimating only 4 away from this week's items in the Estimation Jar. Way to go Delsyn! I will be adding information about our Estimation Jar onto our website over break in case you would like to know more information about it how we do it every Thursday.

Also look for the Star of the Week Schedule to be updated over break, along with information about literacy bags, and a blog update on what we've been up to in the classroom.

The week we get back will be an eventful one: here's what will be going on...we will have NWEA testing on Tuesday and Thursday, The Math Unit 2 Test on Tuesday, Picture Day is also Tuesday, and our Field Trip on Friday to Fog Willow Pumpkin Patch. Please have students bring a lunch, wear an orange shirt (the school one from last year is great) and be ready to go that morning. Students will not need money for the field trip, but will come back with a pumpkin.

The week we get back is all about pumpkins and bats. We compare and contrast pumpkins to apples, learn about their life cycle, and learn all about how bats are beneficial to us.

Important Dates

- 10/01-10/05- NO SCHOOL
- 10/09- Picture Day
- 10/09- Unit 2 Math Test
- 10/09- WAVE Meeting 6:30pm
